Resolved by the Senate and House of Representatives of
the United States of America in Congress assembled, That not-
withstanding the termination on April 28, 1952, of the existence
of a state of war with Japan declared December 8, 1941 (55 Stat.

any proclamation of peace with respect to such war--

izations conferred and liabilities imposed thereby, in addition
to coming into full force and effect in time of war or other-

and effect until six months after the termination of the
national emergency proclaimed by the President on December 16,
1950 (Proc. 2914, 3 C.F.R., 1950 Supp., p. 71), or until such
earlier date or dates as may be provided by the Congress by
concurrent resolution either generally or for a particular
statutory provision or by the President either generally by
proclamation or for a particular statutory provision, but in
no event beyond April 1, 1953, notwithstanding any other
terminal date or provision of law with respect to such
statutory provisions and notwithstanding any limitation by
reference to war or national emergency, of the time during or
for which authorizations or liabilities thereunder may be
exercised or imposed; and acts or events of the kind giving
rise to legal consequences under any of those provisions when
performed or occurring during the state of war which terminated
on April 28, 1952, shall give rise to the same legal consequences
when they are performed or occur during the period above pro-
vided for:
